Unfortunately not. It looks ok on MailChimp and Gmail but the translation to Outlook sucks.

Looks amazing! Only thing is, could you make the RSVP button any bigger?

On a separate note, what time today are you planning to blast the member spotlight/invite to our workshop? I want to know when I can expect to hopefully see a jump in the RSVPs J

Nick, Elan and I are going to eat lunch at GCM and check out the space again for setup/logistics purposes. I wasn't planning on going back until Friday, but let me know when you're going and if I can, I will.
